Les Théâtres de la Ville are a Safer Place!

Join us in keeping it that way.

We treat each other with respect

No form of harassment, discrimination, racism, sexism,
homo-, trans- or queerphobia, violence, or abuse
of power will be tolerated.

Don't assume consent

Check for consent by asking, paying attention to body
language, and respecting your own boundaries.
Silence is not consent. If in doubt, stop.

No means No

Be aware of your surroundings

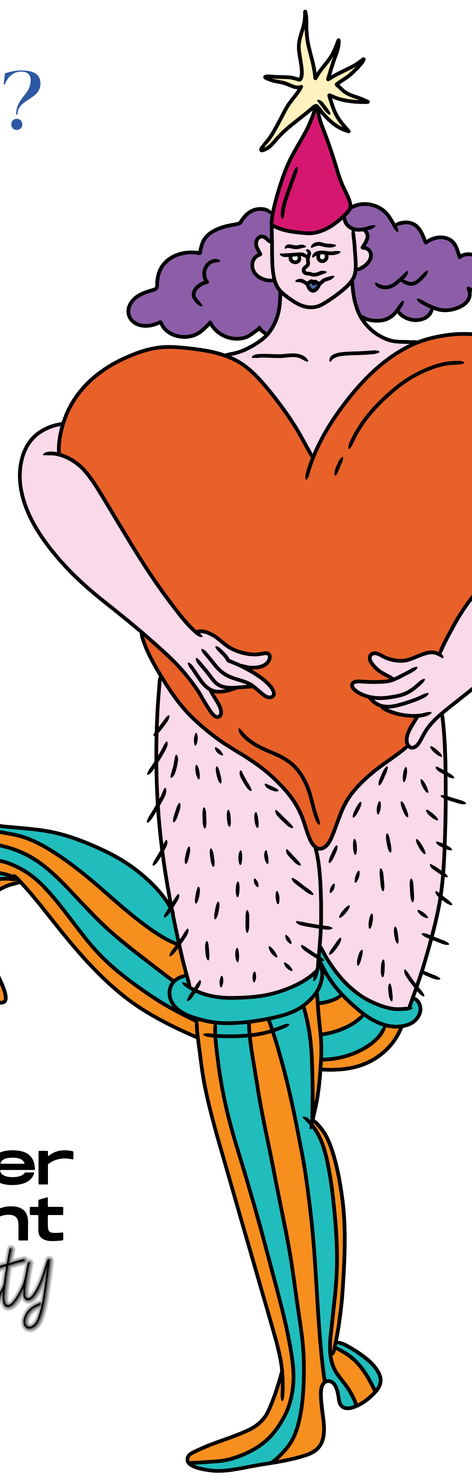

Pay attention to what is happening around you.
If you notice someone who seems isolated or in distress,
check in with them, offer support, or alert a member
of our team. Stay safe and help others stay safe.

Need a break? Feeling overwhelmed or unsafe?

You are welcome to take a moment to rest in our foyer bar
and/or reach out to a member of our team.

We are here for you

Our team and the awareness team of Pipapo
are here to support you.
Do not hesitate to reach out to us directly or,
if you prefer, contact us afterwards
